

Going to a Halloween party

It is October 31st and children usually go to Halloween parties on that day. They are disguised and have great fun.
Read, colour and find out:

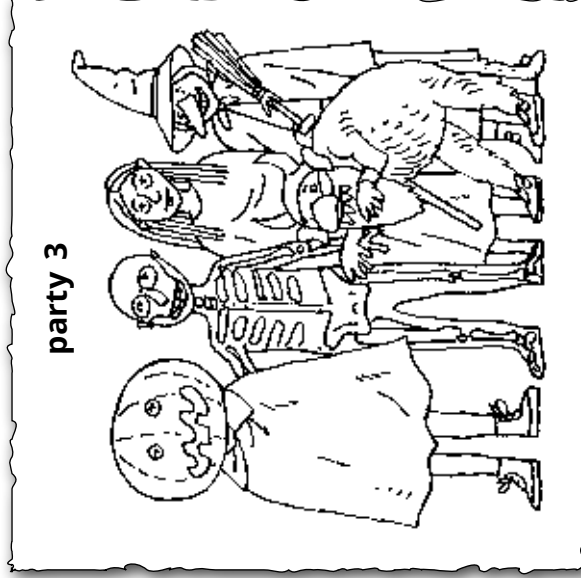

Which party is the green witch at? _____

party 1

party 2

party 3

1. A blue jack-o'-lantern and a yellow ghost are at the same party.
2. A green skeleton and an orange witch are at the same party.
3. Next to the party with the purple jack-o'-lantern is a party with a yellow jack-o'-lantern.
4. A purple monster and an orange skeleton are at the same party.
5. Next to the party with the yellow ghost is a party with a blue ghost and a green monster.
6. The red skeleton is at the party next to the one with the orange skeleton.
7. At party number three is a purple jack-o'-lantern.
8. A red ghost and a blue monster are at the same party.
9. Next to the party with the orange witch is a party with a pink witch.

Going to a Halloween party

It is October 31st, Halloween. Evil spirits may come tonight! But children disguise themselves to scare the spirits away. They also go from house to house to get some sweets and play little tricks ...

Read, colour and find out:

Which party is the pink Grim Reaper at?

party 1

party 2

party 3
